

Women's Ministry Mentoring Group with Nancy Nelson

It's one thing to read an article or book or even attend a workshop or women's event. It's quite another to watch and interact with a successful women's ministry leader on-the-job.

Due to Nancy's deep passion for women's ministry and to develop other women's ministry leaders around the country, Nancy is offering a unique, up-close-and-personal opportunity to interact with her, 4 times over the course of a year. These ½ day interactions provide shadowing, behind-the-scene meeting observations, experiencing women's ministry events at 1st Presbyterian Salinas, and then debrief time so that you can see the before, during and after. Plus, you'll opportunities to catch her spirit and brainstorm and design your own women's ministry ideas.

Because leadership is often better caught than taught, we encourage you to consider being a part of one of these groups. Each group is limited to 6 participants and the schedule varies based on Nancy's availability and the events planned for you to observe. If you live in the bay area or central coast of California, it's a convenient drive to Salinas. If you're from farther away, consider an overnight stay in beautiful Carmel-by-the-Sea or Monterey, world attractions.

Cost: \$399 per participant. You are responsible for your own expenses, food, and travel. Interactions times are approximately ½ day each (4-6 hours). If interested, fill out the following form and e-mail it to info@kidead.com. Same contact for more info.
